Comments:
Indiana Chinook's pedigree combines the strength of many athletic ancestors. Richlou Adonis: a pleasure driving horse and sire of many individuals of size and sport-horse capabilities. Viking Masterpiece: successful at the Top Ten level in open endurance events. Belle Heather: champion open cutting horse. Waer's Playboy: sire of over 200 offspring excelling in Morgan & open Western and English events. Valiant Schoolgirl: English, Western, dressage competitor. Chinook has the good looks, size, movement and trainability to excel in the sport-horse arenas and is passing on his good bone, movement and conformation to his offspring. We look forward to your inquiries about Indiana Chinook. The smooth blend of eastern and western bloodlines; disposition, kind enough to be handled by first-time horse owners; athletic ability. The legacy of long-term breeding programs will bring you satisfaction in your selection of this fine stallion.
