 Semen transport
 Mare care: \$12
 Video available

Nominations:

World Futurity, as requested

Comments:

Big, handsome, athletic are only a few of the great attributes of this 16.1 hand black son of the noted World Champion Liberation First Star. With impeccable bloodlines, Starcraft's future looks to be a bright one in the show ring and in the breeding ranks. He is passing on his great attributes to his foals. Examine this magnificent animal, examine the pedigree, and prepare for the future.... Call for a video.
